KAREN SPENCER MARSTON, J.

¹ The Court found this issue appropriate for early decision in Case Management Order No. 18. (*See* Doc. No. 235).

² This does not mean that every expert will ultimately be called to testify at the hearing. The Court enters this Order now so that the relevant attorneys and experts have sufficient notice that they are expected to be available on this date. Before the hearing, the Court will clarify which of the experts will be required to appear.
